GUARD Hygienic Cover ‚Flex'

GUARD Hygienic Cover ‚Flex' for all serving plates and dishes up to a width of 745 mm. An ideal way to cover buffet areas. FRILICH offers four different widths in two different heights. Of course, the offer also includes hood system for 1/1 GN sizes.

To present a buffet in hygienically impeccable and attractive manner – FRILICH developed a perfect and flexible solution. Profit from convincing advantages:

- Sneeze Guard hardly perceivable due to unremarkable modules.
- Acrylic glass boards variable adjustable in the pitch.
- Fast assembly and space saving storing.
