

GUARD Hygienic Shield ,Window‘

A straight tip for restaurants, bars, pubs, cafés and many gastronomic businesses more.

The hygienic protection is fixed on the bar or table with an adjusting device.
No drilling or gluing!

The guests can regulate the needed space completely individually. In the twinkling of an eye, the space for a single person can be turned into a space for two. Also ,moving closer‘ is possible in case it gets crowded again.

- Expected availability is from mid of May 2020
- Article number: EB 740 E
- List Price: 189,00 EUR

For restaurants and staff canteens!

But also for schools and workshops!
